After years of delay, Baldur's Gate 3 is here and it has achieved remarkable popularity beyond most people's expectations. It's already being heralded as one of the best "choices matter" roleplaying games of all time.

Annoying roommates, overbearing families, inconsiderate colleagues — bring your problems to our panel of Expert Bad Advisors and they will give you solutions! Perhaps not helpful ones, but they'll definitely be funny.

The Post-Meridian Radio Players

Investigating a distress call from the USS Constellation, Captain Jane Kirk finds it dead in space with the commanding officer, Commodore Decker, alone on board with a harrowing tale of a giant planet killing device. With Captain Kirk stranded on the broken-down starship and a distraught Decker bent on revenge, can the crew of the Enterprise survive their encounter with the planet killer and stop it from continuing its destruction?

Code of Conduct

To help ensure our members' happiness and a successful convention, we have established a Code of Conduct and Behavior Policies for all members and staff. Please familiarize yourself with our CoC online at arisia.org/Code-of-Conduct.

No Covid at Con!

Did you remember to take your Covid test today? If you test positive, isolate in your hotel room (or home) and report your positive test to Safety via text/call [617-863-2472](tel:617-863-2472). Thank you!

Report Problems

The Safety Team (our security) and Incident Response Team (IRT) are here to help address problems you come across. **Safety Team** assists with basic line management, crowding issues, badge and ID checking, oversight of closed areas, and general de-escalation needs.

The Incident Response Team (IRT) is specifically tasked with intaking and addressing any reports of violation of the Code of Conduct or other member behavior issues.

Safety Team is located in Paine and the IRT is located in Quincy.

If you're in immediate danger, dial 911 & notify Safety.
