

# CLEAR ETHER

## Saturday Evening Edition

### Look Down, Mask Up!

Arisia's [COVID policy](#) requires you to **wear a mask** while you are in Arisia convention spaces. Not sure if you are in an Arisia space? Look down! Carpet means you need to mask up!

### For Every Rule...

Notwithstanding the above, you may notice that the ASL interpreters (who, like the hotel staff, are not members of Arisia) may be unmasked in Arisia spaces. They may need to be unmasked to do their job of interpreting. Thank you for understanding!

## Featured Evening Events!

### Windborne Concert

8:00 pm Grand Ballroom A+B (60 min.)

“The most exciting vocal group in a generation,” Windborne’s captivating show draws on the singers’ deep roots in traditions of vocal harmony, while the absolute uniqueness of their artistic approach brings old songs into the present. Known for the innovation of their arrangements, their harmonies are bold and anything but predictable.

With a 20-year background studying polyphonic music around the world, Lauren Breunig, Jeremy Carter-Gordon, Lynn Rowan, and Will Rowan share a vibrant energy onstage with a blending of voices that can only come from decades of friendship alongside dedicated practice. The ensemble shifts effortlessly between drastically different styles of music, drawing their audience along on a journey that spans continents and centuries, illuminating and expanding on the profound power and variation of the human voice.

## Dealer Refund

If you bought books from **Larry Smith Books** (raised area of Dealers room) before 8:50 pm on Friday Jan 12, you may have been overcharged for sales tax. Pop by for a refund.

## Dungeons & Dragons & DMs

We need more D&D! If you run D&D and can **teach intro sessions**, we're looking for games, especially 1.5 hour teaching to play sessions! Come to Harbor 1 and set up a pickup game!

## A Peaceful Puzzle

For the past few years, there's been a **puzzle** near Harbor 1, laid out with no other explanation. Slowly, over the days, people stop by and add a few pieces. In a sea of activity, it's an oasis of calm. This year's puzzle is already solved...so a second one will be out this evening. Enjoy!

Thanks to Vivian Abraham, Ken London, and Dan Abraham for layout and content! Thanks to etana for technical support! Thanks to E.J. Barnes for artwork!

## Schedule Updates

The following Fast Track program items have been cancelled:

- K'NEX Konnect: Magical Roller Coasters
- Looney Pyramids

## House of Toast!

Waffles, they get a House, as do the Blues.

While toast is the foundation upon which all glory is built, it is the toppings that truly make an Arisia Party Room a House worthy of the name. Cinnamon and sugar? Common and comforting. Fluff and Frosting? Sweet and sugary. Nutella, Nerds, and vegemite? Choose wisely. All toppings may be found at the House of Toast.

House of Toast is open Saturday and Sunday evening from 10:00 pm to 1:00 am in Suite 406!
